TO THE CITIZENS OF THE TOWN OF ENFIELD

Growth in the Town continued in 1989 and is expected to continue throughout the 1990s, producing an even greater demand for services. Challenging times as these require expertise and professionalism in order to accommodate the rapidly growing needs of our community. In May 1989, we hired Sylvia de Montigny as the new Town Administrator. She is prepared to meet the challenges and to assist our community with solving current and future problems. We welcome Ms. de Montigny and hope you will too.

The property revaluation data collection process is nearly complete. The previous revaluation was conducted in 1973. This procedure will restore the tax base to full market value. Your cooperation and patience with this process is greatly appreciated. Listings of property values will be mailed to all property owners during the summer. Informal reviews, with the assessors, to discuss property values will be available.

Digitized by the Internet Archive

The Board of Selectmen requests your support for the new police facility as proposed by the Police Facility Study Committee. These dedicated citizens met nearly every week since April 1989 to develop this proposal. All Town owned sites were considered. The study produced the most cost effective recommendations. In order to provide the space required to meet current and future needs, your support for this project is essential.

On the recommendation and insistence of Donald Crate, Chairman of the Board of Selectmen, the Railroad Overpass on South Street was replaced by the State of New Hampshire, Department of Transportation. Raymond Burton, Executive Counsel to the Governor, was very supportive and instrumental with this effort. The new bridge was opened on February 12, 1990.

After many years of public service, Dick Heath, District Engineer, retired from the N.H. Dept. of Transportation. We sincerely appreciate his many contributions to the Town of Enfield and extend the warmest wishes for his future.

Interest and participation is vital to good government. All residents of Enfield are encouraged to consider serving the community to the best of their abilities. The last page of this annual report provides an application for appointment form. If you would like to be considered for an appointed position, please fill in the form and return it to the Selectmen's Office. We look forward to working with you to improve the quality of life in our community.

Sincerely,
Donald J. Crate
Evelyn L. Palmer
C. James Martel

STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield qualified to vote in Town affairs:

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the THIRTEENTH day of March next at ten o'clock in the forenoon, 1990, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight P.M.

Articles in warrant will be taken up beginning at seven P.M.

Article 1. To choose by ballot to serve for:

Six years: One Supervisor of Checklist

Three years: One Selectman

One Town Clerk

One Treasurer

One Library Trustee

One Recreation Commission Member

One Trustee of Trust Funds

One Fire Ward

Two years: Two Recreation Commission Members

One Moderator

One year: One Auditor

And also to bring in your ballots on the following questions:

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: The Zoning Ordinance for the Town of Enfield, N.H. proposed by the Enfield Planning Board in association with the Enfield Land Use Committee, Proposal dated February 1990, which divides The Community into six (6) Zoning Districts. This Zoning Ordinance was approved by the Planning Board.

YES ☐

NO ☐

Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years of age up to 80 years, \$30,000; for a person 80 years of age or older, \$40,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$50,000 excluding the value of the person's residence.

YES ☐NO ☐

Article 2. To see if the Town will vote to raise and appropriate the sum of two hundred and eighty-eight thousand dollars (\$288,000) for the construction and furnishings of a new Police Facilities Building, and to fund such appropriations by authorizing the borrowing of a sum not to exceed \$288,000 in the name of the Town by the issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and amendments thereto; and further, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and to take such other action as may be necessary to effect their issuance and sale. (2/3 paper ballot passage required, polls must be open a minimum of 1 hour.)

Article 3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

Article 4. To see if the Town will vote to raise and appropriate the sum of twenty-four thousand five hundred dollars (\$24,500) for the purpose of replacing the Town Beach building.

Article 5. To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to develop a solid waste management plan.

Article 6. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the construction of a hiking trail as proposed by the Conservation Commission.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$278,142 for the following purposes:

Fire Truck	\$108,330
Town Reappraisal	21,572
Cemetery Land Acquisition	46,740
Water Dept. Improvement	85,000
Municipal Buildings	12,500
Whitney Hall	<u>4,000</u>
TOTAL	\$278,142,

and to authorize the withdrawal of these sums from their respective Capital Reserve Funds.

Article 8. To see if the Town will vote to accept the budget as recommended by the Budget Committee and vote to raise and appropriate the sum of \$2,220,968 for the purposes therein stated.

Article 9. Pursuant to a petition by ten (10) or more legal voters - Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100 rather than \$50.

Article 10. Pursuant to a petition by ten (10) or more legal voters - Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700.

Article 11. To see if the Town will authorize the Enfield Planning Board to prepare and amend a recommended program of Municipal Capital Improvement Projects as provided by State Statutes RSA 674:5-8.

Article 12. To see if the Town will vote to adopt the proposed bylaw which will require waste haulers in the Town to set a lower rate for customers who sort and separate their solid waste for recycling purposes in the form which has been posted with the Warrant and made available on the date of the meeting, as follows:

Town of Enfield

Town Meeting Bylaw

The Town of Enfield ordains as follows:

“Common Carrier Obligation to Set Lower Rate for Recycling:

1. Declaration of Purpose: This Bylaw is adopted for the purpose of encouraging recycling, reducing the cost for the collection, transportation and disposal of solid waste and to comply with the obligation of the Town to the City of Lebanon under the Solid Waste Disposal Agreement. This Bylaw is also for the purpose of complying with the requirements of RSA 149-M:17, I (b), and the objectives contained in RSA 149-M:22.

2. Any person, partnership, corporation or other legal entity holding a common carrier certificate for the transportation of solid waste in the Town shall be obligated to amend the tariff filed with the Bureau of Common Carriers of the Department of Safety to provide a lower rate for customers who sort and separate their solid waste for recycling purposes. Such amendment shall be filed with the Board of Selectmen not later than June 1, 1990 and shall be effective not later than July 1, 1990. Any change in the tariff subsequently shall be filed with the Board of Selectmen and all such changes shall always provide a lower rate for customers who sort and separate their solid waste for recycling purposes. Any such common carrier that fails to provide a lower rate shall be denied access to the solid waste facility made available by the Town for its residents.”

Article 13. Pursuant to a petition of ten (10) or more legal voters - To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting

preservation of the global environment and launching the “Decade of the Environment.”

Article 14. To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector’s deed for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate. The Selectmen may sell any real estate acquired by a Tax Collector’s deed to the person whom the taxes were assessed, at private sale but all other sales shall be public sale to be advertised by suitable public notice.

Article 15. To see if the Town will vote to authorize the Selectmen to make application for and to receive and expend, in the name of the Town, such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, N.H. Highway Safety, or other funds for any Town purposes as may be forthcoming from the United States Government, The State of New Hampshire, or any other Federal, State or local agency or person.

Article 16. To see if the Town will vote to adopt amendments to the Sewer Ordinance proposed by the Board of Selectmen, as posted with the Town Warrant.

Article 17. To see if the Town will vote to eliminate the position of Town Auditor, effective after the 1991 regular Town Meeting, since the Town employs a Certified Public Accountant, as provided in RSA 41:31.

Article 18. To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

INDEPENDENT AUDITOR'S REPORT

To the Members of
the Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Enfield and the combining and individual fund financial statements of the Town of Enfield as of and for the year ended December 31, 1988. The financial statements are the responsibility of the Town of Enfield's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the several purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield at December 31, 1988, and the results of its operations and the changes in financial position of its non-expendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial Statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of Enfield at December 31, 1988, and the results of operations of such funds and the changes in financial position of individual non-expendable trust funds for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed in a schedule in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Enfield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose, combining and individual fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective individual funds and account groups, taken as a whole.

CARRI PLODZIK SANDERSON
Professional Association
May 18, 1989

CERTIFICATE OF AUDIT

I have examined the records of the Board of Selectmen, Public Library, Trustee of Trust Funds, Town Clerk, Town Treasurer, and Tax Collector for the Town of Enfield, New Hampshire; including statements of Revenue, Appropriations, Encumbrances, Payments, Unobligated Funds and other records deemed necessary to define transactions for the year ended December 31, 1989.

The examination was made in accordance with accepted auditing principles applied on a basis consistent with preceding years; and accordingly included tests of the accounting records and other auditing procedures considered necessary during the review.

In my opinion, the records and statements presented represent an accurate account of transactions and financial condition for the year ended December 31 1989.

Kathryn Richmond
Auditor

Treasurer

ENFIELD POLICE DEPARTMENT

Again, calls and demands on the Department increased substantially. During 1989 the number of criminal complaints increased by 94 from the previous years total of 241. This was an increase of nearly 72 percent. Calls for service increased some 82 percent to 2473. On first viewing, this upward trend appears to be the result of our increased population. However, as the percentages of increases far exceed our growth rate, we suspect that many of the incidents may be the by-product of the illegal drug epidemic in our area.

During this past year your Department focused on the drug problem by initiating a comprehensive training program and a concerted enforcement effort. Our training efforts consisted of all officers attending a special 7 hour class on highway drug interdiction conducted by New Hampshire State Police. Additional training has been provided on drug recognition and the employment of legal tools to combat this scourge. On the enforcement side, the Department has been very active with the Attorney General's Drug Task Force, for we strongly believe that enforcement efforts must be directed on a regional basis. During July of 1989, acting on information developed by the Canaan Police Department, a raid was conducted in the Main Street Area of our village. From subsequent confidential intelligence sources, we learn that this raid effectively put a dealer out of business. The matter is now before the Grafton Superior Court and we are most confident of the outcome.

Drunk driving, despite the public attention and concern, continues to be a public safety problem. Nationally, alcohol-related car crashes are a leading cause of death among young people. Without any special targeted efforts, 49 arrests were made in our community for DWI during this report period. A breakdown of the breath test results adequately depict the problem:

TEST RESULTS BY BAC	NUMBER OF PERSONS
.06 - .10%	2
.11 - .15%	15
.16 - .20%	12
.21 - .25%	5
.26 - .30%	3
OVER .30%	1
REFUSED	11

It should be noted that the over .30% BAC was arrested in the area of the Elementary School during school hours. Correlating the BAC readings to something meaningful, studies have shown that a driver with a BAC of .05% is 2 times as likely to be involved in an accident, at .10%; 6 times, and at .15%; 25 times. We have requested additional funds in this years budget to provide more direct attention to this problem. If approved, special patrols will be directed to this effort.

The Department appreciates the efforts of the Police Facility Committee. After approximately 33 meetings, the committee has produced a construction plan for a new facility which will serve the community well for years to come. We urgently request the support of the voters in obtaining approval of this much needed facility. Not son much as to provide a good working environment for our force, but rather for a secure facility in which our business can be conducted in a sage and private area for the benefit of all our citizens.

Peter H. Giese
Chief of Police

ENFIELD BUDGET COMMITTEE

The Budget Committee is composed of nine members appointed by the Moderator plus a member of the Board of Selectmen designated by said Board. The Committee operates under the provisions of the Municipal Budget Law and under rules adopted by the Commissioner of Revenue Administration. The members are listed elsewhere in the Town Report.

The Committee has met ten times and held a public hearing on February 8, 1990. The Committee members have been faithful in their work and our relationship with the Selectmen, Town Officials, and Town Departments has been constructive and cordial.

The tax rate estimated for 1990 shows a significant decrease from that in 1989. This decrease is due to the fact that substantially more taxes were collected for Town purposes in 1989 than were required by the operating budget. This is a one time event and is unlikely to be duplicated in the future. The reassessment of property in the Town that is now taking place will complicate comparisons of the actual rates for 1989 and 1990.

We are proposing for the forthcoming year that the Committee meet periodically to review the statement of all expenditures submitted by the Selectmen. Such submission and review is not to be construed to mean that the Committee can exercise authority over such expenditures. It is hoped that this attention by the Committee to the ongoing financial management of the Town will be helpful.

Franklyn W. Phillips, Chairman
Dwight Z. Marchetti, Vice Chairman

ENFIELD CONSERVATION COMMISSION

The year of 1989 was a busy one for the Enfield Conservation Commission. Several dredge and fill permits required review, as well as site plans for future development. Follow-up will be necessary, due to incomplete construction for some of the permits.

The "Trails Committee" Chairman, Craig Sanborn, was very busy this year, trying to obtain permission from various land owners on Shaker Mountain for trail access across their land. Although there has been hesitancy from a few landowners, Craig will continue to work on this project. He is currently working with the N.H. Trails Bureau to obtain a crew from the N.H. Conservation Corps to help build the Shaker Mountain Trail.

Other sub-committees were formed during 1989 for the following purposes: to research and identify wetland areas in the Town of Enfield, to review "intent to cut timber" permits, and to work on compiling information on, and assisting the Selectmen in forming a policy regarding Class VI Roads.

Respectfully Submitted,

Robert H. Hewitt, Chairman

ENFIELD F.A.S.T. SQUAD

The Enfield F.A.S.T. Squad responded to 146 calls during 1989. These calls were handled by our 16 active volunteer members.

In April, Peter Martin and his staff of Great View Roller Skating rink sponsored a Skate-a-thon to benefit the squad. Through his and the skaters' efforts, the squad was well rewarded. Our thanks also go to all the businesses that contributed door prizes.

Barbara Dow, Roger Dauphinais and Richard Holmes attended a Critical Trauma Care workshop in Plainfield. They in turn were able to conduct a training session for the rest of the squad. As E.M.T.s we must re-certify every two years, so therefore have training sessions monthly as well as go to outside seminars and Dartmouth-Hitchcock Medical Center critiques.

We are always looking for new members and appeal to anyone interested in joining us; please contact any of the members listed below.

Respectfully submitted,

Lencie V. Raynor, President

ENFIELD FIRE DEPARTMENT
ANNUAL REPORT

The Enfield Fire Department was very busy in 1989. This Department responded to a total of 88 calls in the following categories:

Alarm Activations.....	9
Bomb Scares	2
Car Accidents	5
Car Fires	12
Chimney Fires	15
Grass or Brush Fires	4
Mutual Aid	14
Structure Fires	6
Misc.	21

The Volunteer Fire Fighters held a yard sale and a raffle this year, which raised approximately \$1600. The proceeds were used to purchase rescue equipment, repelling gear and a cold water rescue suit. We wish to extend our thanks to those who donated items for the yard sale. They enabled use to purchase some very important equipment. The Enfield Center Fire Fighters also held a raffle that raised \$240.

The Enfield Center Fire Station received repairs that were greatly needed. The Center Station was re-wired by Defiance Electric of Enfield, and was painted by the Enfield Center Fire Fighters. A new sign designed by Phil Briggs was donated by Dick Chase.

The slogan for Fire Prevention Week this year was “Big Fires Start Small”. The Enfield School was visited by the Fire Department to discuss ways of preventing fires. The school children also visited the Union Street Station to view the equipment.

Donald A. Crate
Fire Chief

ENFIELD PLANNING BOARD

During 1989 the Planning Board approved 5 Major Subdivisions, 13 Minor Subdivisions, 6 Annexations, 5 Site Plan Reviews, 1 Home Occupation and 1 Excavation Permit. There were 76 new lots created through subdivisions and annexations. The number of new lots created were less than 1988 (128) but more than 1987 (53), 1986 (47) and 1985 (33).

The Amendment to the Zoning Ordinance voted on at Town Meeting and at a Special Town Meeting in November did not pass. The Board continued to work hard to make changes in the amendment so that it will be more acceptable to the voters. The Board feels that zoning is a vital element in planning the future growth of the Town. This revised amendment will be voted upon by ballot at Town Meeting in 1990.

The Planning Board Office in Whitney Hall has been open on Tuesday's from 9:00 A.M. to 3:00 P.M. for the purpose of receiving plans, reviewing plans and meeting with people concerning the development of their property.

This year, the Board has been working on changing and updating the Subdivision Regulations as well as Highway Access Regulations. The Subdivision Regulations govern the division of land and, in some cases, the building development of that land. The Highway Access Regulations govern the building and repair of driveway access to the Town's roads.

This Board worked closely with Upper Valley-Lake Sunapee Council (UVLSC) during the past year. The UVLSC, our regional planning council, helped with regulations, completed a new up-to-date soils map and began the ground work for a Capital Improvement Program. A Capital Improvement Program must be developed before the Town can charge impact fees to developers per legislation now pending. A Capital Improvement Program for the Town is only good business management.

POLICE FACILITY STUDY COMMITTEE

The Committee, appointed by the Selectmen on April 17, had its first meeting on May 2 and has been meeting virtually every week since. Most of these meetings were attended by Chief of Police Peter Giese.

To gather as much information as possible, visits were made to police stations of various sizes in New Hampshire and Vermont, questionnaires were sent to the police chiefs of twenty communities in the twin states and population projections were solicited from six sources. Material from the National Institute of Justice was also studied. All this data played an important part in the Committee's final recommendations.

Enfield's crime statistics over the last decade were carefully scrutinized. These figures revealed, among other things, that police activity had increased twice as fast as the Town's population. This activity included a huge jump in drug and alcohol-related arrests, a fact that emphasized the dangers posed to members of the force and to the adults and children who use the library, which adjoins the existing police station and shares its bathroom facilities.

To find an appropriate site, the Committee investigated forty-three pieces of Town-owned land and eight privately owned sites. The Committee finally decided on Poullos Place. In addition to its proximity to Whitney Hall, the .83-acre lot is ideal for parking and future expansion. Furthermore, Poullos House is rapidly deteriorating and would have to be demolished in the near future anyway.

As required by State law, the Committee hired an architectural firm to design the facility. After weeks of searching and interviewing, the Committee hired Banwell, White, Arnold & Hemberger.

On January 11, 1990, the Committee submitted its final recommendations to the Town Budget Committee: a two-story, 3,300 square foot wood frame structure. This no-frills, low maintenance building is designed to serve the community well into the next century. If approved by the voters, it should be ready for occupancy by September 1, 1990.

ENFIELD PUBLIC LIBRARY

Again, this year the library hosted a variety of special activities structured to create reading enrichment for young and adult readers. A summer storytime was held during July and August. This program was successfully directed by Francine Lozeau and Susan Mellow. Additionally, a New Hampshire Humanities Council funded book discussion series was held. This was a shared grant with Canaan and Lebanon libraries, with each hosting two sessions. This was Enfield's third grant for such a project, which is open and free to the public.

Through the generosity of a library patron, it was possible to purchase a much needed copier and stand for library use. Not only is the library staff appreciative of this addition, but it improves service and effectiveness. Also acquired was a second section for the juvenile card catalog allowing for expansion of information for this collection.

After twenty five years of dedicated and conscientious service as a member of the Board of Trustees of the Enfield Public Library, Ann Tarney chose to retire this year. During her tenure the library experienced significant patron growth and expansion and the introduction of meaningful new services for juvenile and adult readers. Her contributions, counsel and active support of the library will be long remembered with affection.

As always, a personal note of thanks goes to the many volunteers who have assisted the library and made 1989 another rewarding year.

Marjorie A. Carr
Librarian

GRAFTON COUNTY COMMISSIONER'S 1989 REPORT

Unlike Town and School budgets which are passed by local voters each March, the Grafton County fiscal year budget is passed by the 28-member Legislative Delegation in late June, and takes effect July 1st. The State Department of Revenue Administration determines each town's share of county taxes based on the town's proportion of total assessed valuation in the county. The Town collects the tax for the county, so the town's property tax rate reflects its share of the county tax as well as town and school taxes.

In 1989 Grafton County's budget increased for \$10.1 million to \$11.2 million. The increase in the operating budget is mostly due to growing caseload and increased costs for Intermediate Nursing Home Care and the cost of staffing and operating the new jail wing. The good news is that the cost of court-ordered placements for juveniles has leveled off after increasing 160% from 1985 to 1989.

The amount of the County budget to be raised by property taxes increased from \$5.0 million to \$6.3 million, in large part because most of the 1988 surplus was used to pay for construction of the jail addition and because of increased costs of Intermediate Nursing Home Care payments to the State. It should be noted that 48.5% of the County tax collected from the towns is paid directly to the State for the county share of nursing home care, old age assistance, and aid to permanently and totally disabled.

The construction of a new 30-bed minimum security unit at the County Department of Corrections was completed in March of this year, and inmates were moved in during the first week of April. Thanks to the strong hands-on management and control by Supt. Bill Siegmund and Clerk of the Works Wayne Whitney, the County managed to complete the \$1.6 million project with a \$9,197 surplus. And by using \$500,000 in surplus funds as a down payment, we only bonded \$1.1 million.

Because of increasingly crowded conditions at the Grafton County Courthouse, the Commissioners are looking into both short and long-range solutions to the county's space problems. Working with Samyn-D'Elia & Assoc. to develop plans and projected cost effective, short-term solutions, including renovating the county owned duplex house.

The Commissioners are also anticipating changes in the overall management structure of the county next year with Administrator Siegmund's retirement in June. The Nursing Home Complex (the nursing home, jail and farm) will be separated into three separate facilities with individual administrators. The Commissioners are considering the impact of this conversion on the county business office and overall county operations in order to ensure a successful response to the changes brought about by Mr. Siegmund's retirement.

The Grafton County Commissioners meet weekly on Wednesdays at the Grafton County Courthouse in North Haverhill. We encourage public attendance and welcome tours of our facilities. For further information, please call the Commissioners' Office at 787-6941 or contact Commissioners Betty Jo Taffe (Rumney), Everett Grass (Sugar Hill), or Gerard Zeiller (Lebanon).

MASCOMA HOME HEALTH SERVICES

Mascoma Home Health Services celebrated its 20th year of service to the Mascoma Valley communities, which include Enfield. The agency has grown over the years in an attempt to meet the community health needs as they have arisen.

We have worked closely with other human service organizations in the area in an effort to make the most effective use of all programs offered.

The Parenting Support Groups started in 1983 have been a strong piece of the entire Child Health Programs which also includes a monthly Well Child Clinic and twice yearly Dental Clinics. There is also a Parent Aide/Family Outreach Worker available to make home visits to assist young families with learning to care for their children.

The Adult Home Health Care Program is also based primarily on home visits. The staff numbering 15 includes registered nurses, therapists, home health aides, homemakers and social workers. Each has their role in helping individuals with some physical limitations to remain in their own homes.

Much of this would not be possible without the support from the Town of Enfield. On behalf of the Board of Directors and the staff we thank you for your help which is passed on to those in your community who need a helping hand.

UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COMMITTEE

Forty-eight drums of household toxics were collected from 288 Upper Valley households at the Upper Valley Household Hazardous Waste Committee's annual Collection Day, Saturday, May 6, 1989.

The Committee has sponsored 6 annual Collection Days at which 11,000 gallons of toxic materials were collected and thereby successfully diverted from Upper Valley landfills. The wastes included automobile fluids, batteries, garden herbicides and pesticides, paint, oven and drain cleaners, furniture refinishing products and many materials commonly used by home hobbyists and craftsmen. In accordance with federally regulated standards, these wastes were recycled, incinerated or taken to authorized hazardous waste disposal sites, depending on the type of material.

The scope of the Committee's activities continues to expand, especially in the area of education. As more and more toxic materials come on the market, there is an increasing need for public education regarding safe disposal of toxics and the use of non-toxic alternative products.

The Committee has been successful in local fund raising with the major portion coming from the three regional landfills in the Upper Valley. Contributions from local businesses and organizations and on-site donations, along with grants from the State of New Hampshire and the State of Vermont have made it possible to meet the expenses for 1989.

The next Collection Day will be May 5, 1990. The Committee welcomes participation by all area residents.

James Gruber, Chairman
Judy Bowden, Treasurer

TOWN MEETING MARCH 14, 1989 ENFIELD, NEW HAMPSHIRE

Article 1.

The Moderator declared the following chosen by ballot:

Selectmen for three years - C. James Martel
Tax Collector for three years - Rose B. Welch
Trustee of Trust Funds for three years - John P. Carr
Trustee of Trust Funds for three years - John R. Goodwin
Fire Ward for three years - David J. Crate
Auditor for two years - Kathryn Richmond
Recreation Commission for three years - Wally Andrew
Library Trustee for three years - Greta H. Crilley

Amendment No. 1

The vote to adopt the amendment was passed but the Ordinance was defeated because of the Protest Petition submitted to the Selectmen. 657 Yes, 381 No. The Zoning Ordinance prepared by the Enfield Planning Board and the Land Use Committee was defeated.

Amendment No. 2

100 Yes, 884 No. The Petition Amendment to the Zoning Ordinance was defeated.

Article 2.

To see if the Town will vote to raise and appropriate a sum not to exceed 125,000 for the purpose of constructing a Police Station and fund such appropriation by authorizing the borrowing of a sum not to exceed \$125,000 in the name of the Town by the issuance of serial notes or bond, in accordance with provisions of the Municipal Finance Act (RSA 33) and

amendments thereto; and further, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and take such other action as may be necessary to effect their issuance and sale. (2/3 paper ballot passage required).

Amendment No. 1

The vote to adopt the amendment was 220, opposed 98. Article 2 was passed as amended 221 Yes, 36 No.

Article 3.

Passed as printed - This article authorizes the Town to order a Fire Truck. As a bond issue we can order the truck and the money will be there to pay for it. Yes 286, No 76. Article 3 passed by a two thirds passage vote.

Article 4.

Article 4 passed as printed - To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

Article 5.

Article 5 as amended passed with a voice vote - To see if the Town will vote to appropriate and raise an amount of \$15,000 to purchase or construct a replacement of the Town beach building. If the replacement is not accomplished during this year, the monies will be transferred to the Municipal Building Capital Reserve Fund for future replacement.

Article 6.

Article 6 was defeated with a voice vote - To see if the Town will vote to appropriate, raise and expend an amount not to exceed \$16,500 to purchase the Henry Farr property on the corner of Route 4 and Baltic Street.

Article 7.

Article 7 was defeated with a voice vote - To see if the Town will purchase the Donald J. Crate property at the corner of Shedd & Baltic Streets.

Article 8.

Article 8 passed with a voice vote - To see if the Town will vote to authorize the Selectmen to make application to and receive and expend in the name of the Town, such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, N.H. Highway Safety, or other funds for any Town purposes as may be forthcoming from the U.S. Government, the State of N.H., or any other Federal, State or local agency or person.

Article 9.

Article 9 passed with a voice vote - To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector's deed for non-payment of taxes or any or all parcels not in public use.

Article 10.

Article 10 passed with a voice vote - To see if the Town will appropriate the sum of \$10,000 to be used for the improvement of the foundation, floor supports and sanitary facilities of the historic Enfield Center Town Hall.

Article 11.

To see if the Town will vote to raise and appropriate a sum not to exceed \$60,000 for the purpose of purchasing the 3.78 acre Henry Laramie property on Flanders Street, with approximately 2.7 acres to be restricted to recreational use. After much discussion Article 11 was amended to read: To see if the Town will vote to raise and appropriate a sum not to exceed \$35,000 for the purpose of purchasing the two and three-quarters acres of the Henry Laramie property on Flanders Street to be restricted to recreational use and fund such appropriation by authorizing the borrowing of a sum not to

exceed \$35,000 in the name of the Town. A voice vote on the amendment was held and the amendment to Article 11 failed. A paper ballot which required a two thirds passage was used and Article 11 was defeated. 183 Yes, 126 No. A Motion was made to reconsider Article 11 and a voice vote to reconsider the Article was defeated.

Article 12.

Article 12 passed with a voice vote - To see if the Town will vote that if the purpose or objects hereinafter designated, for which appropriations for the year 1989 may not have been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such objects shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen shall have the opportunity for fulfilling the purpose for which said appropriation was created.

Article 13.

To see if the Town will vote to raise and appropriate the sum of \$2,381,164 which represents the bottom line of the posted budget. Said sum is exclusive of Warrant Articles 3, 5, 6, 7, and 10. The total appropriation should be amended if any of these additional Articles are approved. F. Phillips explained how the Budget Committee works. He explained that they reduced the budget by \$51,700 of those items submitted by the various departments and organizations and believe that they came up with a fair, workable budget that should be accepted. After much discussion the moderator asked for a voice vote to amend Article 13 as presented. The Ayes have it, the amendment to Article 13 passes. We will now have a voice vote on the main Article 13 as amended. The Ayes have it, Article 13 passes as amended.

Article 14.

To see if the Town will vote to adopt the Sewer Ordinance proposed by the Board of Selectmen. The moderator asked for a voice vote, the Ayes have it, Article 14 passes.

Article 15.

In accordance with a petition of ten or more legal voters - To see if the Town will vote that in the Town of Enfield, N.H. the only permitted uses of steep slopes in excess of 25 percent will be allowed. This article requires a voice vote. The Ayes have it and Article 15 was passed as printed.

Article 16.

Pursuant to a petition of 10 or more legal voters - To see if the Town will vote to approve a conflict of Interest Policy. After some discussion the moderator asked for a voice vote. The Ayes have it and Article 16 passes as printed.

Article 17.

In accordance with a petition of 10 or more legal voters - To see if the Town will vote to request the Board of Selectmen to adopt a highway regulation that would require a permit before any person performs work on a Class VI Highway in the Town and that this regulation establish certain standards to protect the existing roadway, and further that the Town Meeting does not favor a change in classification of Class VI Highways in Town maintained Class V Highways. A voice vote was needed on this Article and was passed as printed.

Article 18.

In accordance with a Petition of ten or more legal voters - To see if the Town will vote that the Enfield Zoning Board of Adjustment shall have five members in accordance with RSA 673:3 and appointed by a committee consisting of the Chairman of the Conservation Commission, Chairman of the Planning Board and a Selectman designated by the Board of Selectmen. Each member shall be a resident of the Town in order to be appointed. This article required a voice vote. The Ayes have it, Article 18 passes as written.

Article 19.

Pursuant to a Petition of 10 or more legal voters - To see if the Town will vote to designate Potato Hill Road a scenic road. We need a voice vote on Article 19, the voice vote is unclear. We will need a show of hands on this article, 86 Yes, 93 No. Article 19 fails.

Article 20.

Pursuant to a Petition of 10 or more legal voters - To see if the Town will vote to designate the portion of East Hill Road starting at Crystal Lake Bridge and ending at the beginning of Spectacle Pond Road as a scenic road. We need a voice vote on Article 20. The Nays have it, Article 20 fails.

Article 21.

Pursuant to a Petition of 10 or more legal voters - To see if the Town will vote to designate Choate Road a scenic road. We need a voice vote on Article 21. The Nays have it, Article 21 fails.

Article 22.

Pursuant to a Petition of 10 or more legal voters - To see if the Town will vote to designate Oak Hill Road as a scenic road. We need a voice vote on this article. The Nays have it, Article 22 fails.

Article 23.

Pursuant to a petition of 10 or more legal voters - To see if the Town will vote to designate Potato Road from the Canaan Town line to the Grafton Town line a scenic road. A voice vote in needed for this Article. The Nays have it, Article 23 fails.

Article 24.

Pursuant to a petition of 10 or more legal voters - To see if the Town will vote to designate Spectacle Pond Road a scenic road. A voice vote is needed for this Article. The Nays have it, Article 24 fails.

Article 25.

Pursuant to a petition of 10 or more legal voters - To see if the Town will vote to designate White House Road as a scenic road. A voice vote is needed for this Article. The Nays have it, Article 25 fails.

Article 26.

To hear the reports of agents, auditors, committees or any other officers heretofore chosen and pass any vote relating thereto. A motion was made to amend Article 26 to instruct the Planning Board to initiate the development of a Capital Improvement Program for future approval of the Town adopting RSA 674:5. We need a voice vote on Article 26 as amended. The Ayes have it, Article 26 passes as amended.

The above is not a complete copy of the minutes of the March 14, 1989 Town Meeting, but a record of the actual vote.

Ilene P. Reed
Town Clerk
